

International Conference on Health, Safety & Environment (HSE 2024)

Registration Form:

1. Name (Block letter) :
2. Designation :
3. Organization:
4. Address for communication :
5. Phone:
E – Mail:
6. Accommodation(Pl.√): Required/Not required
7. Payment details:
Mode of payment (Pl.√): DD/Cheque/Online
DD No/Cheque No./Tr. Ref No*:
Dated: Amount:

*Please send an e-mail to hse2k24@gmail.com
after transfer of the fund.

Kindly register me for two days “**International Conference on Health, Safety & Environment (HSE 2024)**” to be held at IFSE, Haldia, during 23rd ~ 24th December, 2024.

Signature of the applicant

Place: Date:

Signature of the Head of the Dept./sponsoring
authority

Place: Date:

Conference Committee:

Chief Patron : Shri Dilip Kr. Bera, President, HBWO
Patron : Prof. Rabindranath Jana, HIT, Haldia
Mrs Tanusree Jana, Principal, IFSE, Haldia
Convener : Dr. Subrata Jana, Ex-Medical Officer
Jt. Convener : Shri. Sanjib Kr. Jana, IVL Dhunseri Limited
Jt. Convener : Shri Sukhen Das, MCPI Pvt. Ltd., Haldia
Treasurer : Shri Prasun Parua, Aegis Vopak Terminal Ltd.

International Advisory Committee

Dr. Rahul Kr. Tripathy, Purdue University, USA
Dr. Randeep Singh, Yeungnam University, South Korea
Dr. Anam G. Babu, Yeungnam University, South Korea
Prof. Luqman, Taibah University, Saudi Arabia
Shri Dipendu Dhar, Martin Luther University, Germany.
Prof. Manas K Bhunia, Tokyo Institute of Tech, Japan

National Advisory Committee

Prof. G. B. Nando, IIT, Bhubaneswar
Prof. Patit P Kundu, IIT, Roorkee
Prof. Haripada Bhunia, Thaper University
Prof. Dipankar Mandal, Jadavpur University
Prof. Pulakesh Bera, Panskura Banamali College
Prof. Sanjit Jotdar, Calcutta University
Prof. Uttam Mondal, Indraprastha University
Prof. Upen Nandi, Calcutta University

Local Organizing Committee

Shri Dilip Kumar Das, IOCL, Haldia
Shrii Amal Mukhopadhyay, IFSE, Haldia
Shri Sougata Maiti, Thermax Limited
Shri Biswajit Maity, Haldia Petrochemicals Limited
Shri Subrabata Bhowmik, Tata Chemicals Limited
Shri Anup Kr. Maiti, IFSE, Haldia
Shri Mihir Das, IFSE, Haldia
Shri Amal Jana, IFSE, Haldia
Mr. Soumaysis Pramanik, B. C. Roy Medical Hospital

1st Announcement

HYBRID MODE International Conference on Health, Safety & Environment (HSE-2024)

Theme: *Workplace with better HSE*

Date: 23rd ~ 24th December, 2024.

Venue: Institute of Fire and Safety Engineering,

Organized by

Haldia Brajalalchak Welfare Organization

Brajalalchak, Dakshinchak, Haldia – 721654,
Purba Medinipur, W.B., INDIA

In Association with

Institute of Fire and Safety Engineering
Institute of Paramedical Science and Technology
Kalyansree Mahila Samity
Brajalalchak, Dakshinchak, Haldia – 721654,
Purba Medinipur, W.B., INDIA

Website: <https://hse2k24.hseconference.in>

About the Conference

Use of different technologies may be a blessing to human society to have better health, safety and environment. A few important applications in health may include in purification of water, air and soil; gas sorption, storage, and sensing, Bionanomaterials and Tissues Engineering, Biosensors, Diagnostics and Imaging, Materials for Drug and Gene Delivery. In safety it may include the efficient Fire control, development of durable and safe personal protective equipments (PPE), proper process safety management (PSM). The other applications may be Clean and Sustainable Technology, Energy Storage, Renewable Energy Technologies, Green Chemistry etc.

So the **International Conference on Health, Safety and Environment (HSE 2024)** will provide a platform to the engineers, stakeholders, promoters, contractors and other professionals to interact, learn and exposure to the various fields of HSE. We hope that the event will encourage the delegates to think about the new materials, methods or technologies for health, safety and environment. **All the accepted papers may be published in an ISBN indexed (ISBN: 978-93-341-0234-5) conference proceedings and some of the selected papers will be published in International Journals.**

Thrust Areas

Health – Occupational Health, First Aid, Drug delivery system, Food Security, Health Care products, Cosmetics, Nanomedicine, Diagnostic instruments/methods, Health monitoring, Vaccination, Case studies.

Safety – Industrial Safety, Fire Safety, Construction Safety, Safety Equipments & Control System, Information Technology, Process Control & Simulation, Nanomaterials, Nanocomposites, Polymer Materials, Building Materials, Biomaterials, 2D & 3D Animation and Graphics Design etc.

Environment - Water purification, Advanced Separation, Meteorology, Hydrology, Climate and climatic changes, Global warming, Ozone layer depletion, Carbon capture and storage.

All other areas related to health, safety and environment.

About the Institute of Fire and Safety Engineering

The Institute of Fire and Safety Engineering (IFSE), Haldia started its journey in 2016 with the objectives of making competent and dynamic Fire and Safety Engineers, suitable for global market by imparting best possible training and education. It is affiliated to **West Bengal State Council of Technical, Vocational Education & Skilled Development (WBSCTVE & SD)** and **National Institute of Fire and Safety Engineering (NIFSE), Nagpur.**

Venue

Institute of Fire and Safety Engineering (IFSE), Haldia, located at Brajalachak, near Haldia Gate, NH-41, Purba Medinipur, about 125 km south of Kolkata and is well connected by rail and road with important metro cities of airport) is about 130 km and travelled in about 2 hrs by car.
